## PROFILE

As an enthusiastic and evolving Front-end Developer, I am actively seeking opportunities to contribute my skills and creativity to a collaborative development team. I am particularly interested in joining a team where I can leverage my current project experience to craft intuitive and visually appealing user interfaces, while continuously expanding my skill set in the field of Front-end development With a strong foundation in REACT and JAVASCRIPT.

## PORTFOLIO

- My portfolio represents who I am, and it showcases all of my projects.You can explore my projects through my portfolio.
- I ensured that it is fully responsive. This project has helped me acquire the skills necessary to create a responsive portfolio.
